
OCELOTS FMN* Spring 2027: Implementing a module in tropical biology

*Faculty Mentoring Network

Apply now!

A joint initiative of the OCELOTS (Online Content for Experiential Learning of Tropical Systems) Network and QUBES

Applications due December 15, 2026

Purpose of FMN

Adopt for your course an online module, a case study based on authentic research in tropical biology, and internationalize the undergraduate life science courses that you teach. Modules are hosted on Gala.

Who should apply

- We encourage faculty who teach undergraduates, including adjunct professors and post-docs, to apply. You do not have to be a US citizen or resident.
- Faculty from underrepresented groups, and/or teaching at minority-serving institutions and community colleges.

Benefits

- OCELOTS Education Scholar Certificate
- QUBES publication with a doi
- And more!
