

OCELOTS Incubator: Creating an online module in tropical biology

**Apply
now!**

A joint initiative of the OCELOTS (Online Content for Experiential Learning of Tropical Systems) Network and QUBES

**Applications due
August 12, 2024**

Purpose of Incubator

Create an online module, a case study based on your published research in tropical biology, for use in undergraduate life science courses. Modules will be hosted on the Gala platform.

Benefits

- ✓ OCELOTS Education Scholar Certificate
- ✓ Stipend of \$1500
- ✓ And more!

Who should apply

- ✓ Tropical biology researchers, including adjunct and retired professors, post-docs, and researchers in non-academic organizations. You do not have to be a US citizen or resident.
- ✓ Faculty from underrepresented groups, and/or teaching at minority-serving institutions and community colleges.
